

NANOMIB CONFERENCE

2nd edition

Recent Advances in Nanomedicine:
Opportunities and Challenges

17–18 September 2026
Milan, Italy

Plenary and keynote speakers

Prof. Warren Chan • *Nanyang Technological University of Singapore*

Prof. Anke Krueger • *University of Stuttgart*

Prof. Twan Lammers • *University Hospital RWTH Aachen*

Dr. Anne Laure Bulin • *INSERM*

Dr. Denis Scaini • *University of the Basque Country, UPV/EHU*

Organizing committee

Cristiana Di Valentin

Miriam Colombo

Francesca Re

Lucia Morelli

Stefania Garbujo

Paulo Siani

Valeria Secchi

Giulia Frigerio

Session topics

- Nanomaterials
- Nanoparticles for drug delivery
- Nanoparticles in gene therapy
- Nanodiagnostics
- Computational nanomedicine
- Nanoparticles for topical and oral formulations
- Nanotechnology in Cosmetics

Venue

University of Milano-Bicocca
Building U6

Martini Lecture Hall –
Room U6-04

Basement Floor

Piazza Ateneo Nuovo 1
20126 Milan, Italy

Abstract

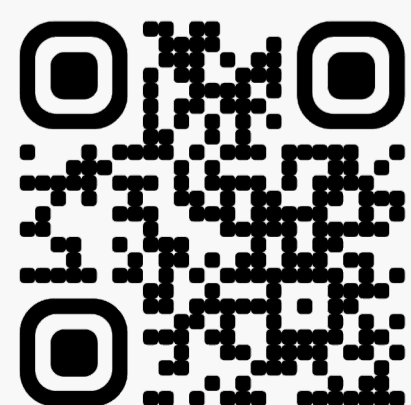

Deadline for abstract submission: **22 July 2026**

Information of acceptance for orals and posters: **28 July 2026**

Registrations

Registrations are open.
